STAR OF THE SEA STUDIO'S

Our Spring Shows were a big success. Thanks to our dancers and their families for their support.

We are on vacation from Dance Classes until Sept. But we will be busy in the summer visiting Nursing Homes and the Island Senior citizens annual Luncheon on July 8th, Monday, and also the Lions Club Variety Show on Mon and Tues, August 12th & 13th.

Although we are a small studio, I (Doreen) personally wish to thank our patrons who attend our programs. The students work hard all season and look forward to performing, but without you, our patrons, it wouldn't be the same. So we really appreciate your support. (Thanks Marie)

A Donation of \$100.00 will be sent to the Maine Children's Cancer Programs.

Sincerely Yours,

Doreen and Co.

Happy Summer To All

Happy 90th Birthday **TEIA**

Founded in 1912, The **Trefethen Evergreen Improvement Association** has an interesting history covering wars, depressions and recessions and many generations of islanders. In celebration of this 90th year, we will display many of these in the Senior Lounge.

TEIA kicks off the season with a **Family Cookout** on **June 29th** bring your family, friends and a dish to share... hamburgers, hot dogs and soda will be provided.

Membership information is available from Mary Sora (5772), Stephanie Castle (2254) and Dave Norton (5513).

Summer scholarships are available to children who wish to participate in youth activities at **TEIA**...contact Stephanie Castle (2254) or Dave Norton (2697) if you would like more information.

Stop by the clubhouse and meet our new Club Manager...Kevin Rollins.

Again this summer we will join the Peaks Island Library Book Group for lively discussion. Summer meetings are held at **TEIA**....the first summer book is **Empire Falls**, by Richard Russo.....July 2.

Neighborhood Planning

The next **Neighborhood Planning** meeting is scheduled for **May 29th at 7:30 p.m. in the Community Center**. The task teams continue to make progress assembling data on various aspects of the Island such as transportation, land use, housing, and natural resources. Watch the bulletin boards for other June meetings. We expect to organize an initial presentation of the Survey results on June 19th and open an "Images of Peaks Island" exhibition on June 21st to extend over the PeaksFest weekend. Later in the summer, there will be a community-wide workshop to review task team reports and invite comments by Peaks Island residents. Look for more issues of our newsletter, **Neighbor**, towards the end of June, July, and August.

EIGHTH MAINE'S 130TH ANNIVERSARY EVENT

The public is invited to attend the celebration to mark the founding of our memorial association in 1872. As a participant in PeaksFest, we will be holding a contra dance and concert featuring the popular Sea Slugs on Saturday June 22nd from 7:30 - 10:00 p.m. Come enjoy the Sea Slugs, good fellowship and refreshments. There is no charge, but freewill donations would be appreciated.

It was decided to form a memorial association probably at a gathering of veterans marking the fifth year following the regiment's mustering out in 1866. This accomplished, the first formal meeting occurred in 1872. Numerous Civil War regiments formed associations, as an outgrowth of the deep comradeship developed over their years of service, and the heavy losses suffered during this conflict to preserve the Union and end slavery. The Eighth Maine Regiment of volunteer infantry had one of the highest casualty rates of any in the war. Over 60% of its members were killed or wounded in the battles around Richmond during the last nine months of the conflict.

Today only a few regimental associations exist in their original form. We are proud to be one of them. Some had campgrounds or buildings such as the Fifth and Eighth Maine's here. After meeting in various cities around the state for about fifteen years, the Eighth Maine decided to hold reunions on Peaks, which was becoming a tourist destination. Initially they tented out on campgrounds operated by some pioneer families. Finally one of the captain's wives talked Col. McArthur into personally building the Eighth Maine to "get us women out of the pup tents." If you are unable to attend our celebration, we offer guided tours daily except Mondays from 12:00 to 4:00 p.m. We are located just beyond the Fifth Maine off lower Ryefield.

Our main fund-raiser, the Art Show & Sale by artists in residence will be held on Friday July 26th from 5:30 'til dusk on our porch. Our raffle drawing for stays or cash prizes is scheduled for Labor Day weekend. Last year's winners were Claire Fillettaz and Terry Edwards of Peaks, Bob Seale of CT and Jim Preston of MA. We greatly appreciate the support extended our memorial museum and lodge by islanders.

THE FIFTH MAINE REGIMENT COMMUNITY CENTER

The Fifth Maine's **Annual Open House** takes place on Sunday **June 23 from 1-5 pm**. There will be a brief introduction to our new project to document recent Peaks Island history at 1:30 followed by a slide presentation of rarely seen images of Peaks from 1950-1982 narrated by Kim MacIsaac. Refreshments will follow the slide program.

The **Peter Donnelly Trio** returns for another evening of **Jazz by the Sea on Saturday June 15 at 7 pm**. Enjoy an intimate evening of wonderful music and delicious refreshments in an historic setting. Tickets are \$7 per person. Call Sharon at 766-2385 for more information.

Our first **Pancake Breakfast** of the season will be served on **Sunday June 30 from 8-11 am**. Menu includes pancakes, Canadian bacon, juice, fruit, and coffee. Tickets are \$4 per adult and \$2 per child.

The museum is open week-ends in June from 11 am to 4 pm (except June 22). Please stop by and bring a friend or two!

The warm weather is finally here! We have started our seedlings of marigolds and sunflowers. When the time is right, we will plant them in our playground garden. We took a walking fieldtrip to Lausier's Family Greenhouses and saw all the beautiful colors of spring. Our musical instruments of tambourines, symbols, rhythm sticks, and xylophones have been a favorite on the playground. (I think the music helped bring the sunshine!) Our musical interests were heightened when we had a chance to visit with the Westbrook Jr. High Marching band at the Lion's Club. Our school age group is getting ready for the summer "Island Rovers" program and is looking forward to exploring the island, fieldtrips in Portland, and sunny beach days. Our community playgroup will be ending May 31st for the summer. See everyone next fall. Our food pantry is open to the community for those in need, stop in or call. We are currently taking donations for the food pantry, if you would like to donate, please drop off any non-perishable items at the center. Thank you.

The following is a message from John Beatty, Fire and Life Safety Educator, Portland Fire Department.

Bicycle Safety: Did you know that traffic laws apply to people riding bicycles too? The laws of the road pertain to both cars and bikes alike. Bicycling is a fun and healthy exercise as well as a wonderful alternative form of transportation (especially on Peaks Island!). Before riding your bicycle on the road, please take time to learn the rules. Many bicyclists are seriously injured in accidents because they are less protected than drivers of automobiles and/ or they do not practice safe riding skills.

- * **Do-** wear a bike helmet at all times
- * **Do-** slow down and check traffic at all corners and intersections
- * **Do-** let cars and pedestrians go first
- * **Don't** — ride at night without proper lighting
- * **Don't** wear headphones when riding your bike.
- * **Don't** — go in and out of traffic

FIFTH MAINE NEEDS DOCENTS

The Fifth Maine Regiment Community Center needs volunteers to serve as museum guides (docents) for the summer season. Docents introduce our visitors to the proud history of this Civil War unit, show our guests the great exhibits on the island's fascinating past, and keep an eye on our precious premises. Volunteers will be trained and will have the opportunity to perform a real community service. It's great fun if you enjoy meeting people from all over the country (and occasionally overseas), having stimulating conversations, and learning more about the past's influences on the present. If you can help, call Bill Hall at 766-2514.

Peaks Island School

All of our students gathered at the Saco River May 23rd to say Bon Voyage to the hundreds of tiny salmon they had nurtured at our school since January. In groups of three, students made wishes and released their fish from cups into the river, watching them swim away to new lives.

Thanks to our staff members and Lynn Richards, a neighbor and head of Portland Water District's Education Program, for making this such a wonderful learning experience for our children. Lynn helped us organize the program and taught many lessons at our school on its environmental and scientific meanings.

Thanks to Roberta Deane and her intermediate students who have monitored the cold water tank daily for five months to maintain just the right environment for the salmon eggs. And, thanks also to primary teachers Wendy Litchfield, Martha Gross and Robin Walden for extending this learning into their classrooms.

We are pleased that two important issues survived the budget processes: another full time staff member for our school and a Parks & Recreation Department Before and After School Program for students. Continued community involvement is essential.

Our salmon project reminded many of us the joys of life's cycles. So too, did the helpful presence of Aaron Schuit and Isaiah Oliver. Both are Peaks Island School grads who are about to graduate from Portland High School. They spent two weeks in May in our school as volunteers working with our students.

News From the Peaks Island Branch Library

766-5540

Hours Open: Tues 2-8 Wed 10-4 Fri 10-2 Sat 8-12

Spring is always a time of change on Peaks Island. It's nice to see all the familiar faces returning with the warmer weather. At the same time, it's sad to say farewell to those who will be moving off. Farewell and All the Best to Grace and Don Wright, who are moving to Dover-Foxcroft. We wish for them a new supply of reading material, as they surely have read all the books in Portland. We all will miss them both – their kindness, their easy smiles, Don's humor, and Grace's cookies. (Was she just drumming up business for Weight Watchers? Boy, were we slow to catch on!)

New to the Island? To get a library card, bring ID and something with your current address. Summer visitors may have cards, too.

Parents: Does your child (5 or over) have a library card? Getting a library card can be a rite of passage and a passport for summer fun.

Calling All Readers: Come in to sign up for summer reading, beginning June 22. "Summertime and the Reading's Easy" is the theme for libraries in Southern Maine, and former islander Kevin Hawkes has created the poster artwork. There will be Sea Dogs tickets for those who sign up.

Story and Craft for 5-8 year olds begins Tuesday, July 2, at 7 pm. Patricia Crowley-Rockwell will offer this program again. Are there other parents who will lend a hand with the crafts?

Summer Book Discussion: will be held at the TEIA club house on Tuesday, July 2. *Empire Falls*, which recently won a Pulitzer Prize, is the book for that meeting. It is by Maine writer Richard Russo. The book for August 6 will be *The Amazing Adventures of Kavalier and Clay* by Michael Chabon. The library is grateful to TEIA for allowing us to collaborate with them to make Book Discussion available to all, year round. Watch bulletin boards for the time.

Thank you to the Portland Parks Department for the beautiful flowers outside the library. Larry Goodson and Jim Lausier made the new plantings a real work of art for all of us to enjoy.

It's best call a day or so before to set up an appointment, but if you can't, that should be okay too. The drivers may not be sitting at home waiting for your call; they may be out picking up or delivering someone else, or just getting a breath of air. Most have answering machines, however, so leave a message or try the substitute drivers. We'll do the best we can! If you're going to the doctor, or shopping, or just need to get off the rock and, for some reason, you can't "hoof it," help is on the way! The usual hours are Tuesday through Friday daytime hours, but if you're really in a bind at other times, give any of us a try.

Senior News

Twenty one people attended the May pot luck luncheon at the 5th Maine. The food was good and plentiful.

Later the 4th and 5th graders from the Peaks Island School joined the seniors. We made memorials of Peaks Island with scraps of paper, string and tape. We all had fun. June 10th will be the next pot luck luncheon. Dues of \$5.00 will be collected at this time. July 8th is the date for the Senior Lobster Bake. Denise will have the information on the bake if you are interested in attending.

STAR SUBSCRIPTION REMINDER

This is a reminder that we do not mail the Star during July and August. If you wish to have the Star mailed to you starting in September 2002 to June 2003 you may do so by sending \$5.00 with you name and address to:

FRIENDS OF THE PEAKS ISLAND LIBRARY

Our next meeting will be on Wednesday June 19 at 6:45 p.m. at the Peaks Island Library. We will be planning the July book sale and the annual meeting, to be held this summer. Please try to attend. If you have questions please call Carol Eisenberg 766-3323.

Friends of the Peaks Island Library Survey Results

The addition of library computers, audio books, CDs, videos and an increase in circulation prompted the Friends of the Peaks Island Library, with funding from MBNA, the Peaks Island Lions Club, and the Portland Public Library, to explore possibilities for expansion. These are summary results of a community survey and three focus groups.

Hours of operation and the size of the library were the two most remarkable needs evident from the research. Equally remarkable is the resounding appreciation of the library staff and 'atmosphere' of the library.

The Friends have conveyed to the Portland Public Library administration and trustees the desire for more hours. Dick Reed is using his architectural skills and experience designing public spaces to determine how we could expand within the building without disturbing the community room. Other locations have been studied and eliminated.

Thank you to all who participated in the focus groups last summer and the 200+ people who completed the survey this winter. The next step is to determine when and how the funds can be raised to make the dream a reality. Stay tuned!

PINA NEWS

The Peaks Island Neighborhood Association will have its next general meeting on Tuesday, June 11, at 7:30 at the Community Center. At this meeting Island Institute Fellow Nate Gray will highlight some responses from the neighborhood survey. A detailed presentation of survey results is scheduled for later in June (not a PINA meeting). Our meeting will also include an update on City responses to Island issues. We anticipate that the business meeting will be shorter than usual, allowing time for informal questions and discussion and for socializing.

At the August PINA general meeting there will be an election to fill new vacancies on the Steering Committee. As a Steering Committee member you can have your voice heard on your concerns about the Island. If you are interested, call President Bill Hall at 766-2514.

STAR Notices

Thank you for donations to the STAR in memory of Walter L. Royall from his loving cats at Happy Nook and from an anonymous donor. In July and August there will be a calendar on the front page. Please turn in items for the calendar on a separate piece of paper (they may be handwritten) with your name and phone number, in case the calendar editor has any questions. DEADLINE for next month's STAR is Tuesday, June 25, by 6 PM, please.

Thank you

Three volunteers from Anthem insurance company scrubbed walls in the hallway, bathrooms, and Community Room during the United Way Day of Caring in May. They also painted the piano, which the Music Association had cleaned and prepared for the project. This project was coordinated by the Library and by Larry Goodson and Dickey McIntyre of the parks department.

PEAKS ISLAND MUSIC ASSOCIATION

PIMA has wonderful plans for this season's Summer Concert Series, Wednesday evenings at the Fifth Maine, beginning **July 10**, with the ever-popular Portland Opera Repertory Theatre. The Casco Bay Tumblers will appear **July 24**. For the **August 8** program, we will once again invite the Rand and Gannett competition winners, and the **August 21** concert will feature our own Peaks Island Chorale.

YOUNG VOLUNTEERS NEEDED

The Music Association is seeking young volunteers to help set up chairs for the Wednesday night concert series (see dates above). You will be our guests at the concert and will also have our eternal gratitude! If you'd like to give us a hand any or all of these evenings, please call George at 0059.

Barbara Goelman Music Scholarship

Calling all young island musicians! PIMA is accepting applications for the 2002 music scholarship. The award is offered annually to an islander, between the ages of 8 and 22, who is studying music. The Barbara Goelman Music Scholarship is named for the former islander who was a founding mother and past president of the Peaks Island Music Association.

The \$250.00 award is open to any island music student who can demonstrate significant ability and a real commitment to pursuing and working towards musical excellence. A letter of application from the student is required, as well as a letter of recommendation from a music teacher or knowledgeable community member. Auditions will be scheduled based on applications. Please include in your letter your age, years of study, instrument(s), and something of your experience and aspirations. Also state why you want and, if applicable, need this scholarship. Include full name, address, phone number and e-mail, if available. Address application letters to: Peaks Island Music Association, P.O. Box 33, Peaks Island, ME 04108. They should be postmarked by **July 10, 2002**. If you have any questions, call 766-0059. Anyone wishing to make a contribution to the scholarship fund may send it to the same address.

RENAISSANCE VOICES AT FIFTH MAINE

Renaissance Voices, the 15-voice *a capella* group directed by Harold Stover, will present its fourth annual Peaks Island concert, **Sunday, June 2, at 6 p.m.** "Revels in the Cheerful Spring!" will feature an all-secular program including Chinese and Irish folk songs as well as Italian and English madrigals. Admission is \$6 at the door. For further information, call 766-0059 or visit our website at www.renaissancevoices.org.

PEAKS ISLAND LAND PRESERVE

The Preserve's second annual spaghetti dinner, on May 17, was a great success -- as to food, and happy company, and in acquiring some new members right on the spot. It's becoming an Institution!

Several board members attended a conference in Brunswick on May 4, of the Maine Land Conservation Conference. The workshops for land preserve groups from all over Maine were invigorating for us, and taught us many useful things.

Our next public event will be the Annual Meeting, on July 26, where progress and plans and new board members will be discussed. Look for more details in the Star of July 1st.

Meanwhile work continues on documenting and finishing up some recent land easements on Peaks; and on establishing careful methods for documenting, overseeing properties under easement, etc. Our website will be in place soon.

The next meeting of the PILP board will be on Wednesday, June 5, at 6pm, in the community room.
